Projects

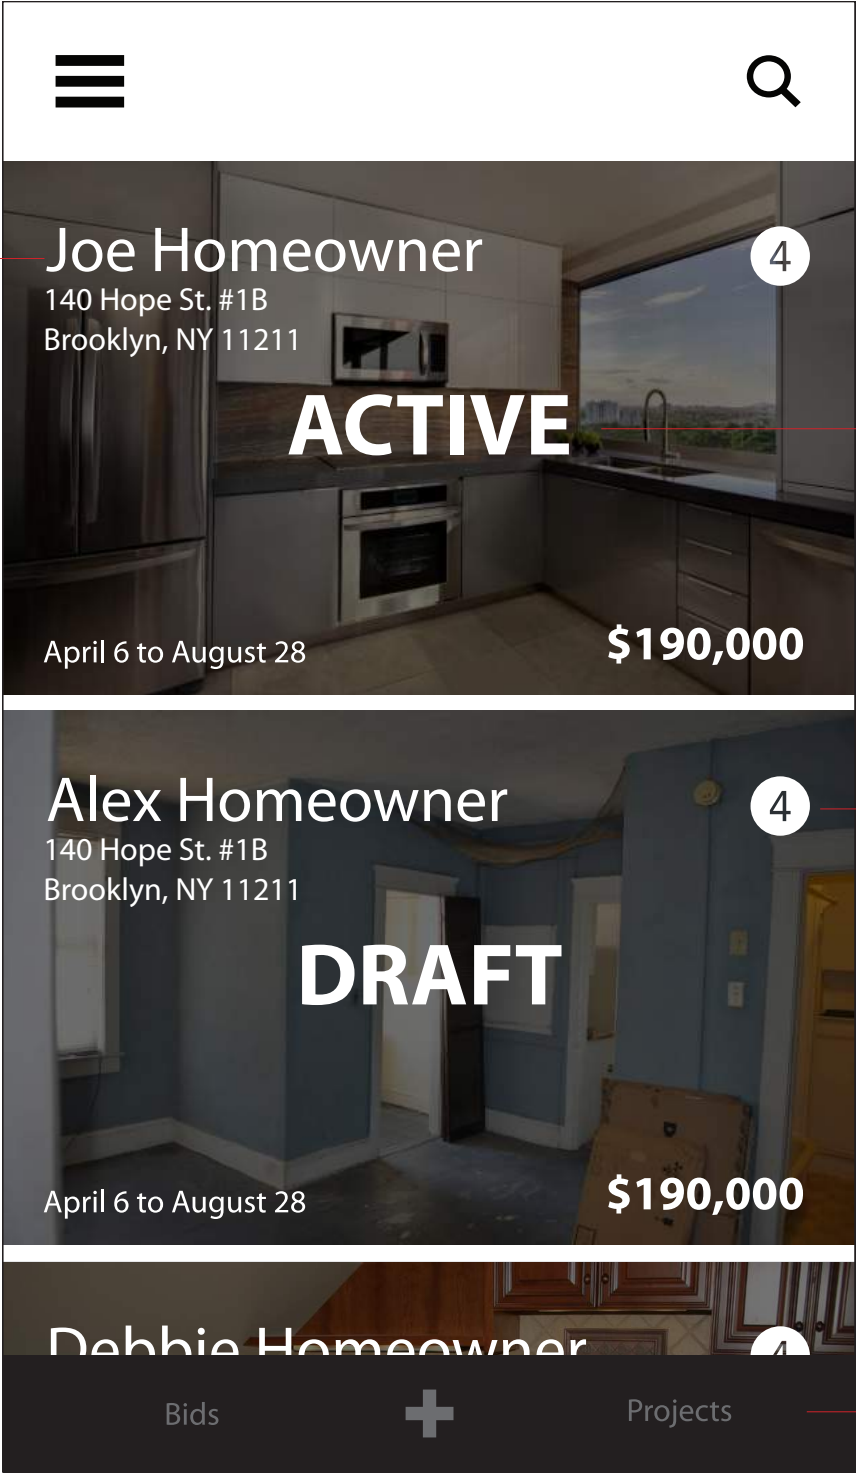

NOTES

- 1. Filter newsfeed by "Bids" or "Projects".
- 2. If notification references an image, include a thumbnail in the newsfeed.
- 3. If user has a profile picture include with the notification message (\*note: most homeowners will not have a profile picture).

2

1

3

NOTES

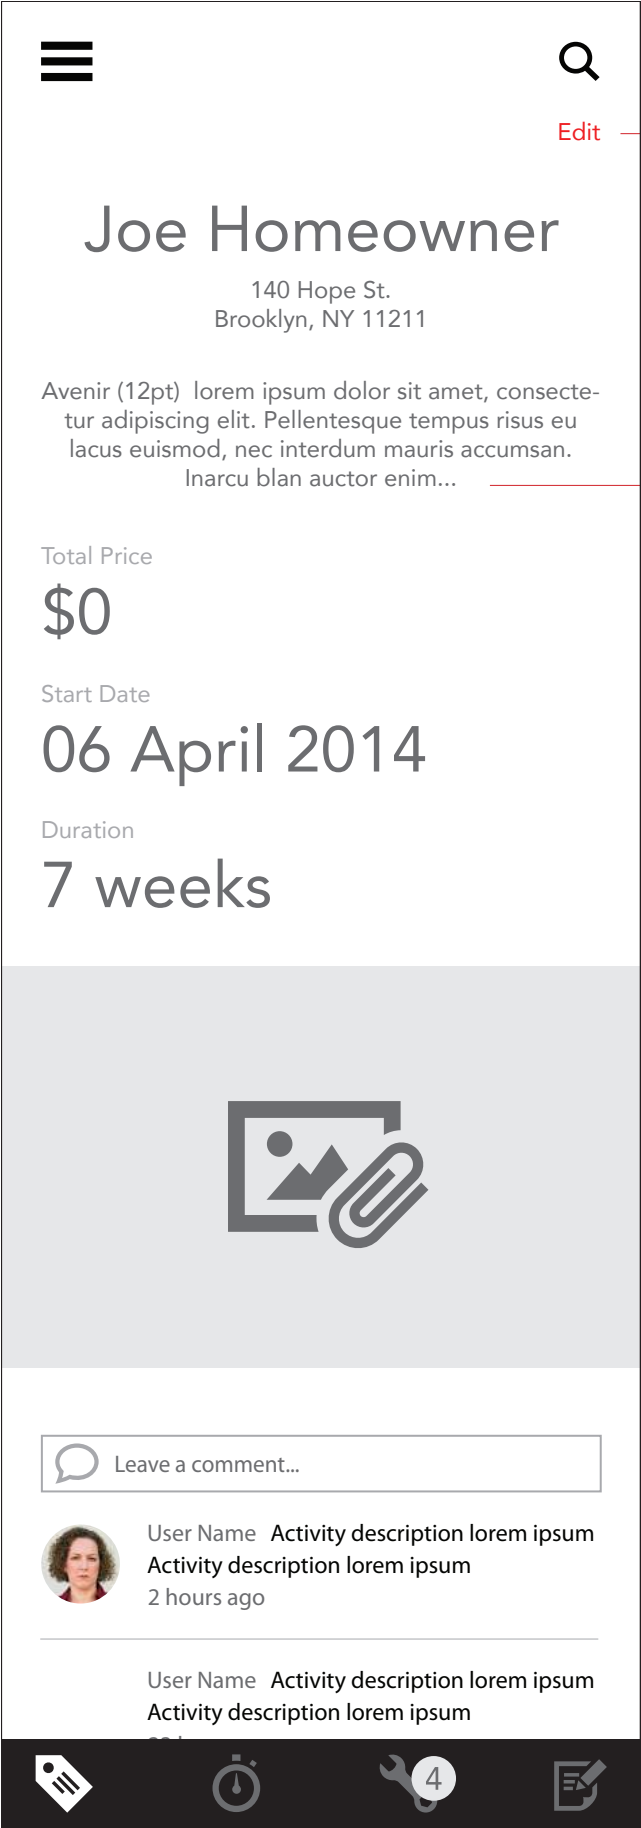

- 1. Bids/Projects are watermarked by their type.
- 2. Alert for notifications on this particular bid/project.
- 3. Summary of bid/project information.
- 4. "Bids" and "Projects" filter and "Add New" button.

1

2

4

NOTES

- 1. "Edit" puts the page into an editable state.
- 2. In the default state (non-editable state) single tapping expandable content triggers a slide down animation + reveal of clipped content.

NOTES

1. Saves bid as a draft. Contractors can close out of this flow at any point and the draft will just reflect varying degrees of completion. Within the Detail View the Contractor can edit/add to the draft bid content.

1

NOTES

- 1. Add new line item to top of list.
- 2. New line item is initially in an editable state.
- 3. Explicit “Save”.
- 4. If “Edit” is hit on the page level, new line item auto-saves and page is put into the editable state.
- 5. Click & draggable. Swipe left to delete.
